Define Problem Statements (Customer Problem Statement Template):

Millions of people worldwide are affected by Chronic Kidney Disease (CKD), a progressive condition that damages kidney function. Despite the prevalence, individuals with CKD face significant challenges in managing their condition effectively. These challenges contribute to poorer health outcomes and a decreased quality of life, to reduce the feeling of frustration we aim to make a simple and understandable solution which is efficient, user-friendly and aligns with our customer expectation thus creating a positive relationship with our brand
